**DMA**Rehability  
Health Management Solutions

**Chantal's extensive knowledge and skills in the area of soft tissue injuries and orthopaedic injuries has enabled clients to return to completing their activities of daily living.** Her ability to develop, select appropriate devices, and coordinate graduated return to work have assisted injured individuals in returning to work. She has been trained in the Progressive Goal Attainment Program to assist clients to become ready for return to the workforce. She has been working as well with brain injured survivors in regaining their abilities to function at home and pursue purposeful vocational activities.
