

Corrie is a case manager/rehabilitation consultant with over 20 years of experience in the health care field. For the past 13 years, she has worked in the capacity of a case manager/rehabilitation consultant with DMAREhability. Prior to working at DMAREhability, Corrie's experience entailed working both front line as well in the clinical domain of a community based residential brain injury facility in London. Corrie's education includes a degree in psychology as well as being a certified Canadian Life Care Planner. She is also a Registered Rehabilitation Professional (VRA) and is a Certified Vocational Professions (CVRP). As part of Corrie's role as a case manager for DMAREhability, she provides services to clients living in south western Ontario. Her experience includes catastrophic case management for individuals who have been diagnosed with mild to severe acquired brain injuries, spinal cord injuries, soft tissues injuries, amputations, and/or psychological issues. Area of practice includes adults and children. Through her role as case manager she provides a client centre and individualized approach ensure that each client has timely and adequate service to attain their rehabilitation goals.
