Health Management Solutions

Denise has 17 years of experience as a physiotherapist.

Her focus has been in orthopaedics with advanced manual therapy and sport physiotherapy training. She has a Masters degree in the area of Biomechanics and Motor Control. She is also a Fellow of the Canadian Academy of Manipulative Physical Therapists (FCAMPT). In addition to traditional clinical experience she has also spent time as a Physiotherapist with the National Men's Wheelchair Basketball team. Denise provides both in-clinic and community based assessments and treatment. She has also studied anatomical acupuncture with the Acupuncture Foundation of Canada Institute (AFCI).
