

Mr. Woodall is a Registered Occupational Therapist who has been practicing since 2008. He graduated with a Masters of Science, Occupational Therapy in 2008, from Western University and an Honours, Bachelor of Arts, Kinesiology in 2006 also from Western University. Matt has experience in the acute care rehabilitation sector having worked for the Ortho/Trauma Team at London Health Sciences Centre. Over the past few years, he has gained experience working in the community addressing limitations/barriers resulting from a variety of serious injuries, in the adult/geriatric population. He has provided numerous In-Home Functional Assessments for clients with various injuries, including ABI; Hospital Discharge Planning and Safety /Accessibility Assessments, Return to Work Programming, Job Analysis, Ergonomic Assessments, and Driving Evaluations. He has his level 1 certification with the Ontario Brain Injury Association and is also certified in Assessment of Motor and Process Skills (AMPS).
